

Case Study

Project: Pinehurst Primary School
Main Contractor: Yearsley Ltd.
Completed: September 2009

The project requirement was to provide a new school extension and new ICT suite.

To add visual interest to the ICT suite, the folding partition incorporated double glazed vision panels with a curved head design.

Specification:

2 sets of Type M80 folding partitions comprising 14 no panels
44 dB sound rating
Top supported
Beech Melamine
5 No double glazed vision panels with curved head design
